

## AN SCHELLE SMASHES RECORDS AT BALTIMORE

Western High School Star Victor in 50 and 100-Yard Swims.

Baltimore, Md., March 24.—Six intercollegiate swimming records were broken here tonight at the Baltimore Athletic Club in most sensational swim ever staged in this city. Polyschell, titleholder for several years, retained the laurels by scoring twenty-two points. City College, its old rival, was third, Marston proving to be each's most formidable opponent with twenty-two tallies.

One of the six records—the 50-yard breast stroke—was lowered by Carrigan in the first heat. Referee Leimberg disqualified the athlete, however, and the Amateur Athletic Union will be asked to render a decision. Carrigan cannot alter the situation at least as far as the championship concerned.

While the Tech athletes covered themselves with glory and much praise in the city and Marston performers, the colors of Western High School, Washington. The Senator was entered in the hardest events on the program and he grabbed two firsts. Incidentally the Washingtonian broke two records, lowering the marks in the 50 and 100 yard swims. He was the only visitor to break into the scoring; his efforts gave Western ten points.

Three of the marks—100 yard, 50 yard, and 100 yard—were claimed by the English. The relay team broke its own mark and so did Reins in the backstroke. Marston smashed his own mark in the 100 yard, but the title changed hands when an Schelle treated Baltimore fans to one of the best swimming they have seen in years.

Not until half an hour after the meet had been concluded was the winner known. It took some time to compile the scores in the fancy diving, and this event swung the tide in Polys's favor. Ringling was picked as a sure winner. The judges gave Watkins and Robinson, both Polys, first and second places respectively. Coady, of Marston, landed first place.

The new records, including the mark broken by Carrigan, follow:

50-yard swim—Van Schelle, Western High, 28 3/4 seconds; old record, 28 1/2 seconds.

100-yard swim—Van Schelle, Western High, 1:30 1/4; old record 1:30.

50-yard breast stroke—Carrigan, Polyschell, 1:30; old record, 1:39 3/4.

100-yard breast stroke—Carrigan, Polyschell, 3:15; old record, 3:25.

50-yard backstroke—Reins, Polyschell, 1:00 1/4; old record 1:01 1/4.

The medals, it was announced, will not be distributed until the racing is over from New York.

Polyschell declared he would get into touch with the officials tomorrow and he hopes to have the matter settled by the week-end. The officials were divided. Some thought Carrigan had broken the rule, while others were of the opinion he had abided by them.

## TANGO BENNY' HELD; MOTHER IS FAITHFUL

Alleged Hotel Strangler Locked Up On \$15,000 Bail.

Special to The Washington Herald.

New York, March 24.—Benjamin Sternberg, following his failure to gain freedom on a writ of habeas corpus, has been sent back to the Tombs on \$15,000 bail, accused of strangling Mrs. Lillian Hill in a room of the Hotel Marlborough for her \$2,500 jewelry.

The prisoner had been brought before the court for trial on time on a writ of habeas corpus by his attorney.

When the prisoner left the Tombs to appear before Justice Delehanty, Mrs. Sternberg and several of her friends were at the door in a motor car. After seeing him they followed slowly in the car. Mrs. Sternberg talking to him through his journey afoot to the court house. A great crowd followed too.

Many valuable hours were lost because the police got to anything like action in the Hill case and one of the most incredible phases of the case is that for hours, identically the police were in possession of two separate and distinct descriptions of the dead woman. The police, the policeman who examined a body, the other by her husband, no asked that an alarm be sent out for her, as she had failed to come as usual.

These descriptions tallied in detail, down to the initials engraved on her wedding ring, but no one in the police department thought to compare them to establish the identity of the murdered woman.

## JIMMY' GLASS FOUND AGAIN.

His Time Word Comes From Kennett, Ark.

New York, March 24.—James Douglas Glass, 4 years old, who disappeared on May 12, 1915, has again been reported found. Frank Hague, commissioner of public safety of Jersey City, has received a telegram from Kennett, Ark., which declares that the boy is found and demands \$500 reward. The telegram was signed "H. E. Watson." It gave no further particulars, but said that a letter and photograph were being forwarded. The lost boy is the son of Charles Glass, an auditor of the Erie Railroad, who lives in 13 Leinua place, Jersey City.

## JAPS SMUGGLING ARMS TO MEXICO, IS CHARGE

Secret Commission Buys While Kaiser Plots, Is Report.

(By the International News Service.)

San Francisco, Calif., March 24.—Venustiano Carranza, President-elect of Mexico, has been buying military supplies in Japan, according to a story printed in the Japanese Advertiser reaching here by way of Shanghai. The story says that the paper says, already has been shipped, one shipload aboard the steamer Kichira Maru being now on the way from Japan to Mexico, if not already delivered to Carranza's agents at Salina Cruz. Aboard the vessel also went twenty-seven Japanese gun experts.

The Japanese who hitherto have sold munitions only to the allies, broke the restriction at the instance of three Mexicans who went to Japan provided with a credit of more than \$2,000,000 of real money, according to the Advertiser.

At the time these operations were in progress the German government, through Foreign Minister Zimmermann in Berlin and Count von Bernstorff in Washington, was trying to form an alliance between Mexico, Japan and Germany with the United States as an object of attack.

The purchases were made by a commission of three members, J. M. Carpio, R. Vargas, and Gutierrez Astreaga, who arrived at Yokohama on November 23, the Advertiser says, and who added:

"The commission has encountered all kinds of difficulties in its attempt to make purchases. In all cases they met with opposition as the government of Japan had rigidly refused to sanction or allow the shipment of guns and ammunition except to the allied nations."

The vessel left Yokohama on January 4 at night, the paper declared. The vessel sailed at Muroran and sailed from there for Salina Cruz, January 7.

"It is known, the Advertiser says, that the vessel of over 4,000 tons did not sail direct for Salina Cruz with a cargo of only 400 tons."

The members of the commission called at the Mexican legation at times and according to the Advertiser, and on some of their trips to Kobe and Tokyo and in Yokohama were accompanied by a secretary of the legation.

## PACIFISTS MENACE MAN WHO DEFENDS 'COLONEL'

Meeting of Anti-War Advocates Ends in Near-Riot.

(By the International News Service.)

New York, March 24.—They held a pacifist meeting tonight in Madison Square Garden, scene of many a prize-fight. And the meeting at one period showed no more being more than the final round of a ten-round bout.

Dr. David Starr Jordan said something about Col. Theodore Roosevelt and then it started. One man in the audience yelled praise of the Colonel. The pacifists surrounded him and tried to force him to break up his statue. There were many interruptions of Dr. Jordan's address, but the peace advocates managed to say many things and resolutions were adopted. The Russian revolution was welcomed as a friend, and Col. Roosevelt, Edith Root, and Mayor McChesney were denounced as enemies. Dr. Jordan advanced the information that the Kaiser was thrust into war against his will.

The resolutions protested against a state of war being declared. There was that overt act, "however brutal," did not afford cause for war. Lending money to the allies was denounced. Conscripting and compulsory military training were denounced, and a popular referendum before war should be declared was advocated.

## PASSIONTIDE BEGINS.

Observance Starts in All Catholic Churches Tomorrow.

Tomorrow is Passion Sunday, the beginning of the two weeks of Passiontide before Easter. Because Passion Sunday is a feast of the first class in the Catholic Church, the ecclesiastical observance of the feast of the Annunciation, which also occurs tomorrow, will be transferred to Monday.

Passion Sunday will be observed in all the Catholic churches throughout the city. To remind the members of that faith that it is the beginning of the period of special mortifications, all the pictures, crucifixes and statues in the churches will be covered with purple cloths.

Members of the Sodality of the Blessed Virgin Mary in all parts of the world will offer special prayers for peace tomorrow.

## SCHWAB BUILDS FIELD GUNS.

Bethlehem Steel Works Munition Plants Busy on Them.

Bethlehem, Pa., March 24.—The Bethlehem Steel Company has received large orders from the War Department for three-inch field pieces, on which work is being pushed to the utmost. In the gun shops almost everything else has given way to the United States field pieces, with the exception of the work on the 11-inch navy rifles, with which the newer battleships are being armed.

For every field piece there is to be a gun carriage.

Bethlehem has also received an order to make fifty anti-aircraft guns, the first order here for this kind of weapon, although there was an order several months ago for almost 100 carriages for anti-aircraft weapons. The work is equipped to make the field pieces rapidly.

## BOY FOUND IN QUAGMIRE.

Milford, Conn., March 24.—Little Ralph Sydney Bingham, Jr., of New York, was found last night unconscious and almost buried in a quagmire at Fairview Beach, near Woodhaven. He had gone out to play and had got lost. When he failed to come back a search was begun and later the firebricks were rung. The doctor says that the boy will live.

## 14-YEAR PAIN IN LEG PROVES TO BE NEEDLE

Chicago, March 24.—For fourteen years Mrs. Jennie Holland, of No. 1408 West Jackson, boulevard, suffered pain and thought it was sciatica. Sunday morning she could endure the pain no longer.

She hurried to the office of Dr. Louis J. Tint. He probed in what looked like a canicule and pulled out a needle that had been wandering up and down her left leg.

Chile's first steel mill has been opened to manufacture the metal from scrap iron heretofore exported to Europe.
